Bakersfield American Indian Health Project (Bakersfield AIHP) DOES NOT provide primary health care assistance for patients. If Direct Pay Care funding is authorized, the Conditions below will apply:

This patient must apply for any alternative resources for which he is entitled. Failure to do so will result in denial of payment by Bakersfield AIHP and the patient would then be responsible for the entire bill.

Bakersfield AIHP will assist with payment for medical or dental services pre-authorized in accordance with referral and eligibility requirements. The provider shall submit a consultation report or discharge summary to the Bakersfield AIHP prior to reimbursement by Bakersfield AIHP Direct Pay Care Services.

Due to funding source, payment cannot be guaranteed if not billed within sixty (60) days of date of service.
If initial appointment is cancelled this referral becomes void.
